

List 1 (First 100)

The people

One more time

Look for some people.

When would you go?

Write it down.

No way

By the water

All day long

So there you are.

A number of people

Who will make it?

One or two

You and I

It's about time.

A long time

How long are they?

What will they do?

More than the other

He called me.

Up in the air

Have you seen it?

Come and get it.

We had their dog.

How many words?

What did they say?

Which way?

Part of the time

This is a good day.

He has it.

Can you see?

Sit down.

If we were older

Now and then

But not me

It's no use.

Go find her.

Not now

With his mom

At your house

From my room

When will we go?

Get on the bus.

Give them to me.

Two of us

Then we will go.

When did they go?

From here to there

Did you see it?

Now is the time.

She said to go.

More people

How did they get it?

May I go first?

Each of us

Go down.

For some of your people

Into the water

But not for me

Where are you?

Our best things

I need help.

Give it back.

Try your best.

Just the same

I work too much.

Only a little

Move over.

My last name

Any old time

It's only me.

We found it here.

Through the line

We came home.

Study and learn

Give it away.

Right now

We want to go.

Kind of nice

Answer the phone.

Mother means it.

Show us around.

Right now

Where in the world

We need more.

This must be it.

Put it there.

Big and small

I study in school.

Hand it over.

Home sweet home

It turned out well.

Such a big house

It's your place.

Around the clock

I think so.

The men asked for help.

Good things

Keep it up.

In the country

For example

You might be right.

Plant the trees.

Add it up.

In the beginning

It seemed too good.

Light the fire.

Read every story.

Those other people

Along the way

The light in your eyes

Below the water

A group of friends

In my head

A good thought

We got together

Once upon a time.

Under the earth

Do it often.

We left it here.

Is it really true?

We saw the food.

We walked four miles.

Both children

Near the sea

On my side

Stop the music.

Watch the game.

Talk to my father.

I took the car.

Read your book.

The peaceful Indians

The young face

So far so good.

Sing your song.

Without a care

The long list

The young girl

State your case.

I like being on the team.

My family

My feet hurt.

The tall mountains

I hear the waves.

The dark night

The first day of school

Next to me

Almost enough

A good idea

Almost four miles

A few children

It began to grow.

A long life

Watch the river.

A group of Indians

White clouds

He started to cry.

Too soon I hear the sea.

Leave it to me.

An important idea
